YMCA Tax Deduction Statement

- Notice of IRA requirements for donations of property
- We do not return goods or services in exchange for donations of property.
- We do not place a value on donations; determining fair market value of a gift remains the responsibility of the donor.
- We recommend you itemize your articles prior to donating.
- If you donate property valued between \$500.00 and \$5,000.00, you should attach page 1 of form 8283 to your Federal Tax Return.
- Donations valued at more than \$5,000.00 are required to obtain a qualified appraisal if you plan on deducting the donation on your tax return. After the donor and appraiser have completed the Appraisal Summary on page 2 of the Form 8283, the YMCA will sign the form after receipt of the donation. For more information, please consult with your tax advisor.
